

Digital Stationery Consortium Introduction

The Digital Stationery Consortium

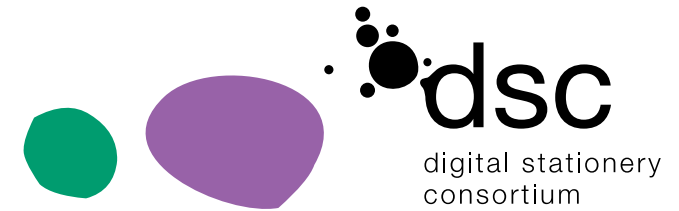

We are an association of global industry partners working to create a new market category of digital stationery

Our Focus

Our focus is to create a new market category platform by using digital stationery where everyone can freely capture, shape and share new ideas beyond the boundaries of technology, operating systems, eco-systems, industries or countries. And make this world a more creative place.

Activities

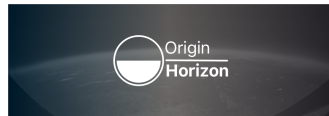

- Promote exchange and networking among industry partners
- Identify market and user needs for digital stationery in the future
- Promote digital ink as the essential platform to create, capture and share creative ideas
- Make digital ink integral part of cloud-enabled, distributed and smart ecosystems
- Enable new forms of creativity via digital pen and paper activities and events (Member Introduction Webinar, Working Groups, etc).
